Professional Summary

MERN Stack Developer with practical experience in building responsive, scalable web applications using MongoDB, Express.js, React.js, and Node.js. Strong knowledge of JavaScript, RESTful API development, and modern UI design using Tailwind CSS. Passionate about building efficient solutions and continuously learning new technologies in full-stack development.

Technical Skills

Languages: JavaScript (ES6+), Java

Frontend: React.js, Redux, Tailwind CSS, HTML5, CSS3, Bootstrap

Backend: Node.js, Express.js, RESTful APIs

Databases: MongoDB, SQL

Tools: Git, GitHub, Postman, VS Code, Netlify

Internship Experience

Trainee Intern – QSpiders, Delhi

Present

- Developing full-stack applications using the MERN stack following modular and scalable architecture.
- Designing and implementing REST APIs using Node.js and Express.js for handling backend operations.
- Creating MongoDB schemas and implementing CRUD operations for efficient data management.

Projects

GreenRaven – Environmental Awareness Platform

Live

- Developed a React-based platform to spread environmental awareness through structured and informative content.
- Implemented responsive layouts using Tailwind CSS to ensure smooth experience across devices.
- Built reusable UI components and improved accessibility and navigation.

Weather Application

Live

- Built a real-time weather application using React.js and the OpenWeatherMap API.
- Implemented city-based search functionality and dynamic data rendering.
- Used React hooks such as useState and useEffect for API calls and state management.

Resume Builder – Full Stack MERN Application (In Progress)

- Developing a resume builder platform using MongoDB, Express.js, React.js, and Node.js.
- Implementing multiple professional templates with dynamic resume preview.
- Adding authentication, pagination, and payment gateway integration for premium templates.
- Integrating AI features to analyze resumes and generate ATS compatibility scores.

Education

B.Tech – Computer Science and Engineering Uttarakhand Technical University

2022–2025

Diploma – Information Technology UBTER

2019–2022

Certifications

React – The Complete Guide 2024 (React.js, Next.js, Redux) — Udemy
